

The Campaign for CalArts Donor Honor Roll

Your generous gifts during the Campaign for CalArts have resulted in profound benefits for the entire CalArts community, most significantly for our students. Your support for the Community Arts Partnership (CAP) has touched the lives of underserved youth throughout Los Angeles County, and your commitments to the Roy and Edna Disney/CalArts Theater (REDCAT) have created a thriving venue for innovative visual, performing, media and literary arts. We thank you for your support, which totaled \$152 million and exceeded our campaign goal.

Every effort has been made to ensure that this document is accurate. If an error or omission has occurred, please contact the Office of Advancement at 661 222-2745 so that we can correct the records. Please note that contributions made by two or more individuals with different surnames are listed alphabetically by only one of the surnames.
