Dear Cal Grant Recipient;

We commend you on being selected by the California Student Aid Commission (CSAC) to receive a Cal Grant award!

The CSAC requires that all qualifying institutions notify their Cal Grant recipients that,

1) The Cal Grant award is limited to 4 years, and
2) That to graduate in 4 years, you would need to take 15 semester units, or the equivalent per academic year.

You are receiving this document because you are not enrolled in 15 semester units. Please return this signed document to the Financial Aid Office, demonstrating your understanding of this information. If you have any questions, please feel to contact us at (661) 253-7869 or finaid@calarts.edu
